

Dr. Juan Lopez, OBGYN, in coordination with the Kern County Black Infant and Maternal Health Initiative cordially invite you and a guest to dine and participate in a forum discussing the status of Black infant and maternal health in Kern County and how you can help.

Thursday, April 11
5:30 pm to 8:30 pm

The Padre
1702 18th Street
Bakersfield, CA, 93301

Special session featuring Niesha Davis, MSW, LCSW, CAMS-II, CCTP, and Brynn Carrigan, Kern County Public Health Director, as we explore the BIMHI Focus Group Report in Black infant and maternal health. Gain insights into the Kern County Black Infant and Maternal Health Initiative and its goals to improve outcomes for Black mothers and infants. Don't miss this opportunity to engage with leading voices and learn about efforts to drive positive change in Kern County.

1 CME or CEU provided
